Business Lunches – Ordering, lead times and special requirements etc.

Ordering

The best way to order is by email ask@purplepeacatering.com. Phone orders by landline 0151-420-3077 this operates between 08:00 and 13:00 Monday to Friday. Mobile: 07736529811 for calls, WhatsApp, SMS. If there is no answer on the mobile it is usually because we are either delivering, or cooking! If you leave a text or WhatsApp, we will contact you asap.

Lead times and minimum orders

Minimum order of 5 people. Orders will usually be accepted upto 6pm the day before. Larger orders of 20+ usually need at least 24hrs notice. However, you can ask if anything last minute comes in! Orders on the day are not usually accepted. We do have capacity to adjust orders slightly upwards on the day if they are **phoned** through between 7am and 8am. 0151 420 3077 or 07736529811. Additions to orders of up to 5 to 10 people can usually be accepted. Feel free to email during the night for any last-minute orders or adjustments. If we can help, we always will.

Choices

You can choose the type of bread you want and the type of savoury/nibbles you would like.

Special diets etc

If you have individual special dietary requirements (i.e. one person in a group, please order this as 1x veggie 1 x gluten free 1 x vegan etc. We usually supply an individual salad box for these. Please order as 'Buffet for 10' plus 1 gluten free 1 x veggie 1 x halal etc. Common preferences included:

- Gluten Free
- Diary Free
- Halal
- Vegan
- Veggie
- Low Carb

Veggie ratios

For orders below 15 people and If you have 2/3 veggies, ask for an individual veggie buffet. Comes as a minimum of 3 people. We struggle keeping small lunches (i.e. orders of 5 to 8 people) with separate veggie sandwiches and finger foods. This is as we try to keep packaging to a minimum. Orders of 8+ we can usually cater for 25% or 50% veggie if required.

For orders over 15 people we usually automatically make a separate veggie box of sandwiches and finger foods.

Halal

We can keep a buffet as entirely halal if required. All chicken breast and chicken products are Halal certified.

Note re Gluten and Nuts

Registered in England No. 12037639 - Registered Office: 161 College Street, St Helens, United Kingdom, WA10 1TY.

Kitchen & Postal address: 37 Hampton Drive, Cronton, WA8 5DA.

Gluten free options use gluten free products. However, please be aware we cannot guarantee anything as being gluten free. It is illegal for us to claim to be gluten free. The same applies for being nut free. We obviously take great care when preparing anything for a Coeliac or anyone with a nut allergy. We just can't guarantee that it is 100% as we use nuts and gluten in our kitchens.

Deliveries

We are a deliberately small (micro) business and we try to be on time. We only operate one vehicle. All our business lunches are prepared fresh on the morning of delivery. Sometimes, during busy periods or if there is a problem with traffic, a delivery may be as late as 12:30. If you have a particularly tight schedule for a lunch to fit in to please let us know in advance!

We value all of our customers; communication is the key to everything running smoothly. Any problems or questions please ask.

Midweek Hot Food – Ordering, lead times and special requirements etc.

Please note that we currently only have a maximum capacity for hot food each day, please check when ordering. This is so we can ensure quality and also that it is delivered hot.

Hot food is delivered ready to serve. We usually keep hot dishes to a minimum of 10 people for a single order. Or we can take an order for two types of dish for 20 people i.e. each dish would serve 10. For orders of 20 we can make an exception of minimum dish for 5 people for (for example) veggies. This can be one of the veggie dishes on the menu, or a non-meat version of the food being ordered. For example you want to order for 13 people and 3 are veggie you can order a meat dish for 10 and a veggie dish for 5. You could specify halal or vegan or gluten free as a variation on this theme. Or for 23 people you could order two dishes of ten plus a veggie dish for 5.

Hot food should be served/consumed within two hours of delivery.

Hot food is kept hot with either electric hot plates, slow cookers or gel fuelled ban maries (chaffing units). The use of these is included in the cost of the food.

All serving spoons tongs etc are also supplied, along with disposable bowls, plates, cutlery and napkins etc.
